

## lasell : auburndale, ma

120 seminary ave • auburndale, MA 02466

this show will be up during the months of **august and september**. there will be a reception and artist talk on **thursday, august 15th at 3pm** in the cafe at lasell.

my grandfather, mother, and i have all been artists, and now my daughter is as well. my mother currently lives at lasell village, and they have given us a wonderful opportunity to honor the connections between my family's artworks over generations.

some of my mother's art is interspersed with my own paintings and sculptures -- she has never shown her work before, and we're both excited to share all of these pieces with the community.
